

Telecommunication Tools

Jonard continues to be the leader of specialized precision hand tools for the Telecommunications Industry for over 40 years. All of our tools are ergonomically designed and produced in strict accordance with Bell specifications.

NEW & IMPROVED

WIRE STRIPPER & CUTTER

The latest development in wire stripping & cutting. Simply place the wire in the stripping slot. Squeeze and pull. The wire is stripped and cut to the exact length required. Comes with cushioned ergonomic grips, interchangeable blades 22-24 AWG and 24-26 AWG. Features include a larger "V" opening on the pliers and no tools required for adjustments. Supplied assembled.

CONNECTOR-CRIMPING PLIERS WITH SIDE CUTTERS

Connector-Crimping Pliers with Side Cutters designed to press UG, UR and UY connectors. A special stop behind cut out prevents damage to connectors. Utilized on combinations of plastic and pulp insulated 19, 22, 24 and 26 gauge copper conductors as well as 20 gauge plastic insulated copper steel wire. Comes with side cutter and yellow handle 6" long.
