♦ RoHS Compliant

**Remote Control Receivers**

**Features:** These remote control receiver modules are small sized, light-weight and low consumption. These modules have been achieved by using resin mold.

**Applications:** All household electric appliances such as TV, DVD, air conditioner and audio equipment.

**Specifications:** • Output Current: 2.0mA • Storage Temperature: -30°C ~ 100°C • Operating Temperature: -10°C ~ 75°C
